Bus & Taxi Information

You can catch the conference bus from our official conference hotel - The Harbour Plaza North Point, **departing at 08:00**. However, priority at all times will be given to participants who have booked a hotel room through the registration system.

You can also get to the conference by Taxi. If you are a visitor to Hong Kong then your hotel concierge will be able to assist you with this.

If you are taking a Taxi to HKIS, you can show your Taxi Driver the following Chinese Characters:

大潭篤紅山道1號

If you are making your own way to HKIS, please arrive at least 15 minutes in advance of the start time. A return bus will be available to take you back to the conference hotel, leaving at 16:15 from the High School entrance. In this instance as well, priority at all times will be given to participants who have booked a hotel room through the registration system

IMPORTANT NOTE: All buses will leave at the advertised time so please be punctual.

IMPORTANT: Accessing the Campus

You will receive an email from HKIS with a barcode that will be scanned as you enter the campus. The barcode can be scanned directly from your phone, and no printouts of this email are necessary. You should keep this email in your inbox and not delete it as you'll need the barcode each time you enter.

As this is a secure campus, you may also be asked to produce a photo ID (such as a national ID card or drivers license) at the entrance.

Water

Water fountains are available throughout the HKIS Campus, and we suggest you bring along your own water bottle to keep yourself hydrated, and to help with environmental protection & sustainability.

Any Questions?

Drop me an email if you have any other questions, and I will be happy to answer them.
